UPCOMING MEETINGS @ PARKSHORE: Board/Building Committee 2/9 - 7:00 PM ♦ Board/Closed Session 2/10 - 6:30 PM
Board/Finance Committee 2/16 - 6:30 PM ♦ Board Meeting 2/23 - 7:00 PM

SLOW DOWN! STOP GARAGE SPEEDING

Some residents are speeding through the garage without much care for the safety and well being of other residents. Drivers should proceed slowly and cautiously through the garage, observing all posted signs and yellow striping. Use the overhead mirrors to navigate corners and avoid collisions. Please watch for residents on foot, children and pets. The few minutes saved by speeding through the garage just aren't worth it. Please drive safely!

COLD WEATHER REMINDERS

It's cold outside, so please remember that in cold weather, all residents are requested to follow these practical directions:

- Windows should be **CLOSED**.
- Windows should be **LATCHED**.
- Balcony Doors should be **CLOSED**.
- Balcony Doors should be **LATCHED**.

Open windows in cold weather often result in frozen pipes inside the unit. When those frozen pipes burst and the gushing water infiltrates other dwelling units, the Unit Owner with the frozen pipes is responsible for the resulting damage.

HEALTH CLUB WEIGHTS

Please understand that when you drop weights onto the Health Club floor, those weights are landing on the ceiling of somebody's home. When utilizing the free weights, please be courteous of your neighbors and don't drop the weights onto the floor! If you can't gently lower the free weights onto the mat, you might be using more weight than you can handle. ☺

BOOK CLUB for FEBRUARY

The ParkShore Book Club will meet on
WEDNESDAY, FEBRUARY 24, 2016
at 7:00 PM in the 56th Floor Library.

The book selected this month is
The Curious Incident of the Dog
in the Night-Time
by Mark Haddon.

Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. He relates well to animals but has no understanding of human emotions. He cannot stand to be touched. And he detests the color yellow. This improbable story of Christopher's quest to investigate the suspicious death of a neighborhood dog makes for one of the most captivating, unusual, and widely heralded novels in recent years.

All residents are welcome to join this fun group!

BOARD RESOLUTIONS SUMMARY

From the January Board Meeting:

- Motion to Approve Category C Remodelings
- Motion to Approve CD Purchase
- Motion to Approve Reserve Account Signatories
- Motion to Approve Chilled Water Pipe Repairs
- Motion to Approve Carpet Cleaning Contract

RECYCLING OPTION REMINDERS

The Association continually works with its scavenger vendor to offer available recycling options to residents. We take this opportunity to remind you that you may recycle paper, aluminum and metal cans, #1 and #2 plastic and some limited glass in the following ways:

THE "BLUE BAG/CLEAR BAG DOWN THE CHUTE" OPTION:

Residents may recycle by placing items in blue/clear bags, securing the bags, and depositing those secured blue/clear bags directly into the trash chute. You may recycle the following items:

BLUE/CLEAR BAG CATEGORY 1: PAPER ITEMS

You may place these items in a blue/clear bag separately from Category 2 Items:

- Junk Mail, Office Paper, Colored Paper, etc.
- Magazines, Catalogs, Phone Books, Computer Paper, Newspapers & Inserts
- Shredded Paper
- Cardboard (must fit in bag; can be cut up)
- Chip Board (Cereal Boxes, Tissue Boxes, Paper Towel & Toilet Paper Rolls, etc.)

BLUE/CLEAR BAG CATEGORY 2: NON-PAPER ITEMS

You may place these items in a blue/clear bag separately from Category 1 Items:

- Metal Products (please rinse out & remove labels)
 - Aluminum Cans
 - Tin/Steel & Bi-Metal Cans
 - Food & Beverage Cans
- Plastic Products (please rinse out & remove labels, dispose of caps)
 - Liter Pop Bottles
 - Milk, Water & Juice Bottles
 - Liquid Detergent, Fabric Softener, Bleach & Shampoo Bottles

**NOTE: No Anti-Freeze, Oil or Petroleum containers of any kind!
No Glass in Blue Bags down the Chute!**

Blue-bags or clear bags are available for purchase at some locations; sometimes at Jewel and Sam's Club. The Management Office does stock a small supply of starter blue-bags for this program. You are welcome to stop by the Office if you would like to pick up a few blue bags until you have the opportunity to purchase blue or clear bags. ☺

THE "DEPOSIT PAPER IN THE CHUTE ROOM CONTAINER" OPTION CONTINUES:

Residents are welcome to continue placing newspaper, office paper, junk mail, magazines, catalogs, etc. in the designated recycling containers located in the Chute Room on each residential floor. Please DO NOT place plastics or metals in the Chute Room recycling containers, as that may result in unwanted pest-guests on your floor. If you'd like to recycle shredded paper, please use the blue/clear bag down the chute option, or bring bags of shredded paper to the P4 recycling area.

THE "BRING IT DOWN TO P4 YOURSELF" OPTION:

For those residents who do not utilize the blue/clear bag option and prefer to be a bit more "hands-on" in their recycling efforts, there is a recycling station on P4. You may take the Freight or Service Elevators to P4, exit to the left down the stairs, turn left at the bottom of the stairs and enter the recycling area through the green double doors to place recyclables in designated containers. This option is open and available to residents at all times. The materials listed may all be recycled in this location. You will find containers for paper, co-mingled plastic and metals, and clear glass. Happy Recycling!
