Volume XXII No. 10 October, 2017

Upcoming Meetings: Building Committee 10/17 – 7:00PM
Finance Committee 10/24 - 6:30PM ♦ Board Meeting 10/25 – 7:00PM

Trick or Treat

Residents who welcome trick-or-treaters to their doors may sign up at the Front Desk or the Management Office until NOON on Tuesday, October 31st. Residents who wish to welcome trick-or-treaters will be provided with a door sign to display for our young and scary costumed visitors. A list of units that welcome trick-or-treaters will be available to ParkShore parents at the Front Desk on Tuesday, October 31st, and Trick-or-Treating will take place that same evening from **6:00 to 8:00 PM**.

September Board Meeting Resolutions

- The Board of Directors approved the 2016 audited financial statements performed by the auditing firm of Kutchins, Robbins & Diamond, Ltd. The audit is a clean audit and is available to any homeowner on request, and also available on our website at ParkShoreCondo.com.
- The Board of Directors favored signing a letter to petition for the pedway connection to the Lake Shore East neighborhood and to the rest of downtown.

Garbage Disposal Etiquette

Kitchen drain line obstructions are often caused by improper use of kitchen sinks, especially garbage disposals.

Stick with the following advice from professionals on maintaining your disposal:

- Run plenty of cold water for at least 20 seconds after grinding of food is complete.
- Never run hot water while grinding food as it melts the food, especially oils and fats, allowing the waste to cling to the sides of your pipes or to re-form as solids in the plumbing stack, creating a backup further down the line for a neighbor.
- Run your disposal every few days, even if you have nothing to grind up. This prevents the disposal from rusting and freezing up.
- Run a cup or two of ice through your disposal to remove built-up debris which may trap odors in your disposal.
- Avoid disposing of rice or noodles in your disposal as these tend to swell when water is added, and may create blockages in the drain lines.

The Chicago Marathon

The Bank of America Chicago Marathon is on SUNDAY, OCTOBER 8 and will involve extensive street closures. The Start and Finish Line areas are both located in Grant Park on Columbus Drive. The 26.2-mile course runs through 29 different Chicago neighborhoods. The route extends north to Addison Street, west to Damen Avenue and south to 35th Street. No Parking Zones along the course will be enforced. Street closures along the route will occur between 7:00 AM - 3:00 PM, and the roads in Grant Park will be closed longer. City streets will re-open promptly as the final runners pass through (at a 15-minute mile pace). The Chicago Police Department will be responsible for closing and re-opening streets and will do so in a manner ensuring runner and spectator safety. Please follow CPD instructions when approaching streets on the course. Do not attempt to block the course at any time. The wheelchair start is 7:20 AM with the marathon waves starting at 7:30 AM and 8:00 AM for about 45,000 runners. For race details or for further information, please visit:

Dogs and Elevators

Residents must use the large freight elevator, service elevator or stairwells to transport pets. In those instances when there are mechanical problems (freight AND service elevators not operating for any reason, P4 level doors not in service, etc.) or in emergency situations, rules prohibiting pet traffic in passenger elevators and the lobbies will be temporarily suspended, as necessary, until normal operations are restored. Otherwise, do expect to wait for the freight elevator to transport your pet. Your neighbors thank you for your consideration.

Book Club

The ParkShore Book Club will meet on Wednesday evening, October 18 at 7:00 in The Library on the 56th Floor

The book selected this month is **Like Water for Chocolate** by Laura Esquivel. All residents are welcome to attend.
